

Adults: Learn a little more about Jesus, and about your life

SUNDAY MORNING OPPORTUNITIES: 10 – 11:15 each Sunday beginning September 12 St. Mary's Parish Center

1. **The Footprints of God**: a DVD series filmed in the Holy Land and hosted by the popular Catholic speaker Steve Ray. While journeying through salvation history, you will meet key people and places of Scripture and Church history. The series begins with a study of "*David & Solomon*" and how the kingdom expanded during their reigns. The next two studies in the series will be "*Jesus*" and the "*Early Church Fathers*." Contact Steve Carden at (903) 297-7551 or Michael Strain (903) 663-4252 for more information. We meet in Room 304.
2. **The Gospel of Saint Matthew**: a DVD Bible Study hosted by Dr. Timothy Gray. It explores the heart of St. Matthew's Gospel: the King and his Kingdom. Contact Karen Dulweber at (903) 295-3232 for more information.
3. **Theology of the Body**: a DVD series hosted by Christopher West that is based on John Paul II's uplifting vision of marital love. Not only will the series deepen your understanding of what it means to be human, it will help you do your part in helping to build a true culture of human life. John Paul II said, "*It is an illusion to think we can build a true culture of human life if we do not ... accept and experience sexuality and love and the whole of life according to their true meaning and their close inter-connection.*" This series will enrich your life and will give insight to help you better explain to others the true meaning and purpose of human sexuality. It has enriched my own marriage of 32 years and has received much positive feedback from adults in our parish who have already seen the series. Contact Susan Leatherman at (903) 295-2004 for more information. This is an 8-week series.
